

## 9X19 MM FMJ LUGAR

Crafted with precision and reliability, Windham Weaponry's 9x19mm Luger cartridges deliver consistent performance for training, defense, and duty use. Each round is built with premium components, featuring a full metal jacket, brass casing, and double-base smokeless powder to ensure accuracy, clean cycling, and dependable results. Made by Windham Weaponry, these cartridges embody our commitment to quality before every shot leaves the barrel.

**“Quality goes in before ammunition goes out.”**
